MEMORANDUM FOR THE RECORD

SUBJECT: NSC Briefing of 17 March 1955

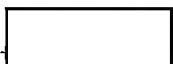

1. The 241st meeting of the NSC will be held at 0915 Thursday, 17 March 1955. The Council will receive a special report: in consequence, the DCI is not scheduled to brief on current developments affecting US security.

2. Division chiefs are therefore free of the responsibility for preparation of formal NSC briefing topics this week. Note, however, that "crisis" developments during the period up to 0830 of 17 May may require spot preparation of briefing material.
